

LMRG Colloquium

The LMRG Colloquium is a venue for members and guests of the Lise Meitner Research Group, “China in the Global System of Science,” to share their work in progress. It is an opportunity to raise questions, discuss methodological challenges, or get feedback on preliminary conclusions. We aim to create a supportive atmosphere that combines rigorous criticism with genuine curiosity.

Sep 7, 2023

Matthias Wahls

M.Wahls Intercultural Publishing Consultancy

Dynamics of Academic Publishing in (and from) China: Will Chinese Publishers Be Able to Fulfill the Publishing Needs of Chinese Academic Researchers?
